

Schools as Knowledge-Building Communities

TABLE of CONTENTS

Acknowledgments	1
Executive Summary	2
Introduction	4
Methodology	26
Review of the Literature: Theoretical Models and Prior Research	33
Knowledge-Building Communities Project	
Teachers' Profiles	53
Site-by-site Narrative	61
Data Analysis	
Framework for Analysis: The Social Ecology of an Instructional Environment ...	77
Theme One: How the Knowledge-Building Community Changes Teaching Practices	87
Theme Two: The Adoption of CSILE Can Transform Social Interaction	117
Theme Three: Support Acts as the Framework of a Diffusion Process	135
Theme Four: Understanding "Resistance" and Structural Factors as Barriers to Developing a Knowledge-Building Learning Environment...	149
Theme Five: Teachers' Models of Educational Technology Prescribe New Professionalism	163
Summary	175
Recommendations	193
Bibliography	197
Appendices	203

Schools as Knowledge-Building Communities

FIGURES and TABLES

Introduction

Figure 1: Screen Shot of Database Note (“thinking type”)	15
Figure 2: Screen Shot of Linking between Notes	17

Review of the Literature

Table 1: Depth of Explanation Scale	45
Table 2: Constructive Activity Scale	46

The Knowledge-Building Communities Project

Table 3: Teachers’ Profiles	59
Table 4: Chronology of Events	64

Data Analysis

Figure 3: The Social Ecology of a Knowledge-Building Learning Environment	78
Figure 4: Major Components of a Knowledge-Building Community	84
Table 5: Five Emergent Themes	85
Figure 5: Theme One Graphic — How the Knowledge-Building Community Changes Teaching Practices	87
Table 6: The Knowledge-Building Community and Changes in Instruction, Curriculum, and the Role of the Teacher	90
Figure 6: Theme Two Graphic — The Adoption of CSILE Can Transform Social Interaction	119
Figure 7: Theme Three Graphic — Support Acts as the Framework of a Diffusion Process	135
Table 7: District Comparison of Diffusion and Concerns	147
Table 8: District Comparison of Diffusion and Issues of Parents	147
Figure 8: Theme Four Graphic: Understanding “Resistance” and Structural Factors as Barriers to Developing a Knowledge-Building Learning Environment	149
Figure 9: Theme Five Graphic — Teachers’ Models of Educational Technology Prescribe a New Professionalism	163
