

Acknowledgment

CET expresses a most sincere thanks to the following individuals who took the time and put forth the effort to contribute to this collaborative publication. These individuals have reported projects, programs, and procedures which use educational technology that they have observed to be effective and successful. Their input is very much appreciated and should help many educators. If you find the information provided by any of these authors to be of benefit to you, please contact the author and express your thanks.

Sally Bair
